

ONSITE SEPTIC FACILITY PROGRAM

In Calendar Year 2021 NETMWD processed a total of **306 permits** and worked **55 complaints** in our 4 Counties for the OSSF Program. This is almost 6 permits and a little more than 1 complaint per week

In the last five years we have processed 1178 permits and worked 244 complaints in the 4 counties combined. Those 1178 systems are capable of processing approximately **300,000** gallons of waste per day.

Here is a 5 year look at the individual County breakdowns.
